Unity Hospital, formerly Park Ridge Hospital, is located in the Town of Greece because of the efforts of several dedicated residents, including the late Ralph P. DeStephano, Sr. (1911-2008).

DeStephano championed efforts to bring the best in healthcare to his community as a member of several Park Ridge boards. In 1989, he was named Chairman Emeritus of the Park Ridge Foundation (now Rochester Regional Health Foundations). He and his wife, Mary, were also generous donors whose gifts supported the growth and expansion of Unity Hospital and Rochester Regional Health.

The DeStephano Memorial Golf Classic has carried on the work of its namesake for 43 years, raising more than $2 million for critical Rochester Regional Health programs and services.
